

WEBINAR INTELLECTUAL PROPERTY LAWS AND REGULATIONS IN INDIA

IMPROVING IP LANDSCAPE IN INDIA

Austrade invites you to join this interactive webinar on Intellectual Property laws and regulations in India.

A strong Intellectual Property Rights (IPR) system in a country facilitates development of trade and commerce, both at domestic and international level, and provides an edge in the business over competitors.

The Government of India has taken concrete steps to establish a favourable environment for the creation and protection of IPRs and strengthening IP administration in the country. The National IPR Policy lays down seven objectives including administration and management of IPRs. It endeavours to promote stable IP regime in the country and encourages innovation to achieve the country's industrial and economic development goals.

WHY YOU SHOULD ATTEND

- Hear about the IP legislation in India
- Learn about the changing landscape of IP regulation in India
- Understand the critical issues on patenting of technology under different jurisdictions.

SPEAKERS

Dr. Deepa Kachroo Tikku, Partner, K&S Partners

Dr. Deepa Kachroo Tikku is a partner at K&S Partners. Deepa is a registered Patent Agent with the Indian Patent Office and an attorney at law. She specialises in the area of life sciences, with an emphasis on patent drafting, prosecution and contentious practice, particularly biotechnology and pharmaceuticals as well as biomedical, nanotechnology, chemistry and polymer related inventions.

K&S Partners is the pioneer in building a practice focused on specific technology and science disciplines in India. Some of the significant areas of technology where K&S has dedicated resources include software, information technology, life sciences, pharmaceuticals, polymer technology, nanotechnology, mechanical engineering, electrical engineering, electronics engineering, semiconductors, telecommunications and integrated circuits.
